PINANCIAL.

\$750.000. NEW YORK AND HAMLER RAIL

bonds, part of an issue of one million. This mortgage a year of an issue of one million. This mortgage a year as large amount of real states in this city, as well as my hip parcels on the line of the road, not included in the fact mortgage; the branch road to Port Mortis, on the East River with wharf and ground belonging thereto, and all the rolling stock and turniture of the road.

The bonds are issued with interest coupons attached, pegable on the first day of February and August in each year, and the principal reimbursaule on the first day of August 1664. The mortgage is made to the Farmer' Loan and Trust Company, of this city, as trustee for the bondedders, and recorded in all the counting through which the road passes.

This issue, added to the first, will make the mortgage in combrance upon the road tourmillion dellars—less than fifty per cent upon its cost up to this time. The proceeds of the bonds now offered up to this time. The proceed of the foating debt of the Company; and, account, to complete the double track to White Plains, and eroot some few station houses required on the line of the road, all of which, it is expected may be done fed as to close "construction as count" at the end of the vear.

The socurity upan which these bonds are based is believed to be in all respects an ple, quite as reliable as that of the first mortgage. The earnings of the road are constantly increasing, and its business, present and prospective, never severed.

interest of the Company so to an arrived and of Directors. NCHOLLAS DEAN, President Own. B. DRAPE, Treasurer. Note—This road terminates in the centre of the city of Sew York, is one hundred and thirty miles long, connecting the city with Albasy, and all the trade of the great West, together with a portion of that of the North. The sanual gross earnings of the road now exceed one million entering the city with Albasy and all the trade of the great West, together with a portion of that of the North. The sanual gross earnings of the road now exceed one million entering the city with the control of the control of the control of the control of the city with the city with the city of the
